Description The National Association for Repeal of Abortion Laws (NARAL) was  
founded in 1969 to challenge legal restrictions on abortion. In 1973, after existing  
abortion laws were successfully challenged on constitutional grounds, NARAL's name was  
changed to the National Abortion Rights Action League, and its purpose became the as-  
urance of the "right to a safe, legal abortion for all women."

The records are an extensive collection of news clippings concerning  
the abortion issue (1970-1973). The are arranged geographically (including most states  
and a few foreign countries), and they mention local events, legislative action, and  
editorial opinion on the issue.
