Music Division

Guide to the

Music Division Rare Iconography

1837-1976, undated

M-Rare Icon

Summary

Creator: Items received from various sources between the 1930s and the 1980s.

Title: Music Division Rare Iconography

Date: 1837-1976, undated

Size: 118 linear feet (192 boxes)

Abstract: The Music Division Rare Iconography Collection contains photographs, lithographs, and drawings separated from other collections between the 1930s and the 1980s.

Preferred citation: Music Division Rare Iconography, M-Rare Icon. Music Division, The New York Public Library for the Performing Arts

Language of the Material: English

Processing note: Collection processed and inventoried by Andrea Cawelti, Jessica Gavilan, and Jessica Wood between 1990 and 2020.

Arrangement: Collection is physically arranged in accession order and by size, with folders labeled PhC being the smallest and folders labeled PhF being the largest. Finding aid is arranged alphabetically by image subject.

Container List

- b. 76 f. PhC 4551 Abbiate, Georges
