**Title:** John Kardoss papers

**Date:** 1955-1962

**Size:** .21 linear feet (1 box)

**Abstract:** During the 1950s and 1960s, John Kardoss, an author and journalist affiliated with The Sun of Sydney, Australia, wrote about world theater. The John Kardoss papers consist primarily of his undated manuscript draft of A Short History of Korean Theatre, in two parts with bibliography, in addition to a small collection of correspondence dating from Kardoss' career in Sydney, Australia, in the late 1950s and early 1960s. The book on Korean theater appears not to have been published, but presumably served as the basis for Kardoss' lecture on the history of Korean Drama delivered at C. W.
