Guide to the

The vindication of astrology &c

1674

MssCol 143

Summary

Title: The vindication of astrology &c

Date: 1674

Size: .21 linear feet (1 volume)

Abstract: Manuscript written in England in 1674 by an unknown author, divided into chapters which respond to criticisms and alleged misunderstandings of astrology. Contains many Biblical allusions and argues that astrology is not witchcraft. Includes "An Appendix Containing a Vindication of Physick, Chiromancy, and Physiognomy" as well as an index which lists the chapter titles

Access: Advance notice required.

Physical Location: MssCol 143
