Title: International Gay Information Center ephemera files - Organizations

Date: 1959-2000

Size: 27.5 linear feet (22 boxes)

Abstract: This is a list of the organizations represented in the International Gay Information Center (IGIC) Ephemera files - Organizations with the following exceptions: AIDS, film, music, religion and theatre organizations are filed in the IGIC Ephemera - Subjects files under their respective headings. For organizations formed for the purpose of promoting an individual (e.g., a politician or a someone in need) see the IGIC Ephemera Individual files under the name of the person. For campus organizations, see this list under the heading "Campus groups" and then the name of the institution. Also, the newsletters of many of these organizations can be found in the Lesbian, Gay, Bisexual, and Transgender Periodicals Collection. Organization names preceded by an asterisk are "early" lesbian and gay organizations, i. e. 1973 or before. However, not every "early" organizations has been so marked.
