Creator History

Action for Community Empowerment (ACE) was a grassroots community development non-profit organization based in Central Harlem dedicated to decent housing, safe neighborhoods, and tenant empowerment. ACE, formerly known as the Hotel Tenants Rights Project, was formed in 1987 by the New York Conference of the United Church of Christ in an attempt to organize the tenants of various government-subsidized affordable housing buildings ("welfare hotels") in Manhattan.

Scope and Content Note

The Action for Community Empowerment Records, 1987-2006 contain information regarding ACE's efforts in the late 1980s to organize tenants of the Martinique and the Prince Georges hotels, two low-income housing developments. The bulk of the collection, however, deals with ACE's efforts to improve housing and organize tenants in Central Harlem from the early 1990s to the mid-2000s. In addition, there is information documenting a youth employment program; tenant rights "door knocking" campaign; HPD building condition surveys; and correspondence with City officials and local politicians. Copies of ACE's newsletter, the *Catalyst*, as well as grant applications and documents describing fundraising efforts, also are found in the collection. ACE's alpha-numeric filing system has been maintained in boxes 1-3, however a chronological system was imposed on the files in box 4 and 5. The files in box 7 are restricted because they contain personal information on former ACE clients and employees.

Arrangement: Arranged loosely into 7 series based on the contents of each box: I. Youth programs and tenant organizing; II. Tenant rights; III. Membership retreats and fundraising; IV. Reports, press releases, and minutes; V. Hotel Tenants Rights Project; VI. Affordable housing; and VII. Membership.
