# Pforzheimer Collection and Shelley and his Circle

The Carl H. Pforzheimer Collection of Shelley and His Circle is one of the world's leading repositories for the study of British Romanticism. Comprising over 20,000 items, the collection is conceptually centered on the life and works of the poet Percy Bysshe Shelley and his friends, relatives, and contemporaries. Formerly a part of the much larger and now dispersed Pforzheimer Library, the Pforzheimer Collection came to The New York Public Library in 1986.

## Scope and content

A collection of fifty-three manuscript legal documents relating both to close and more distant family members of Percy Bysshe Shelley, the English poet. Chiefly made up of large parchment indenture agreements, the collection documents: the leasing of land and homes (Wolborough Manor, Field Place, Castle Goring); marriage settlements; the granting of annuities; the 1791 settlement of the Shelley family estates; and a number of other transactions, dating as far back as the mid-sixteenth century.

# Chronological listing

Unless otherwise indicated, all manuscripts below are in the SC file under "Shelleyana," filed at the end of all individual Shelley family members.

- 1 indenture agreement : 4 Dec 1567 : (S'ANA 0101a) : 1 page (folded parchment sheet) : "Betwene Thomas Shelley of Mapledurham in the County of South[ampton], Esquire, on the one ptie and Nicholas Martin and Jane his wife of the parish of Berriton in the county aforesaid on th'other ptie"; leasing a house and barn; signed by Thomas Shelley and Henry Shelley.
