BIOGRAPHICAL NOTE

Randall B. ("Pete") Smith (1916-1989) was born in Warren, Ohio in 1916. In the early 1930s he moved to New York City, where he joined the Communist Party. In 1936, he volunteered to serve in the International Brigades that were organized by the Communist Party to defend the government of Spain during the Spanish Civil War. He returned to the United States in 1938. During World War II he served in the U.S. Navy, and after the war he worked as a longshoreman. He was an active member of the Veterans of the Abraham Lincoln Brigade (VALB). This was an organization formed by veterans of the Spanish Civil War, which took its name from the Abraham Lincoln Battalion, an American unit in one of the International Brigades. In the late 1970s and early 1980s Smith spearheaded efforts of veterans to collect and preserve material documenting the history of the Spanish Civil War and the VALB. Randall Smith died in October 1989.

SCOPE AND CONTENT NOTE

This collection consists of materials collected by Randall B. Smith relating to the Spanish Civil War and the veterans of the International Brigades. It includes audio cassette tapes, photographs and slides of Spanish Civil War posters, lists of veterans of the Spanish Civil War and printed matter, dating from 1936-1985. The bulk of these items date from 1969-1985.

These materials document the experiences of Americans who fought in the Spanish Civil War. They also provide information on the history of organizations and movements in which these individuals were active before and after that conflict, such as the Communist Party and the labor movement. Some of the audiotapes chronicle the experiences of Spanish Civil War veterans who fought in World War II, including some who participated in Office of Strategic Services (OSS) operations in Europe. A number of the audiotapes, especially the interviews, also document American social movements of the 1960s and 1970s, such as the opposition to U.S. foreign policy in Vietnam and Central America.
