Abstract: Typed letter signed (2 pages) from British author Virginia Woolf (1882-1941), dated 1927 September 20, London, to Ellery Sedgwick (1872-1960), editor and owner of the Atlantic Monthly, in Boston. The letter pertains to the forthcoming publication of her article ["The Novels of E. M. Forster"] in both the American and English editions of the Atlantic Monthly. Woolf politely reminds Sedgwick that she had informed him of her intention to arrange for publication of the article in England; she thought the understanding was that the English rights should rest with her
