Guide to the

**Irma and Paul Milstein Division of United States History, Local History
and Genealogy Real Estate Brochures**

ca. 1878-ca.1986

AZ 22-1

Collection processed by Philip Sutton, 2017.

Summary

Title: Irma and Paul Milstein Division of United States History, Local History and Genealogy Real Estate Brochures

Date: ca. 1878-ca.1986

Size: 9.63 linear feet (19 boxes, 26 boxes)

Abstract: Includes mostly brochures advertising the lease or sale of properties and spaces within those properties in larger buildings in New York City (Manhattan and Brooklyn), including banks, hotels, offices, and other places of business. Included in the collection are brochures, photographs, renderings, and numerous floor plans. Well known buildings represented include the Empire State Building, the Chrysler Building, the United Nations Headquarters, the Rockefeller Center, and the Forbes Building.

Preferred citation: Irma and Paul Milstein Division of United States History, Local History and Genealogy Real Estate Brochures, Irma and Paul Milstein Division of United States History, Local History and Genealogy, The New York Public Library

Language of the Material: English

Processing note: Collection processed by Philip Sutton, 2017.

Scope and Content Note

Includes mostly brochures advertising the lease or sale of properties and spaces within those properties in larger buildings in New York City (Manhattan and Brooklyn), including banks, hotels, offices, and other places of business. Included in the collection are brochures, photographs, renderings, and numerous floor plans. Well known buildings represented include the Empire State Building, the Chrysler Building, the United Nations Headquarters, the Rockefeller Center, and the Forbes Building.

Arrangement: Alphabetical, by borough, street name (where available) - avenue and street names based on numbers first - then by building number and name. Where more than one street name is used in a brochure - for a development made up of a number of buildings and streets, for instance - the development name is provided.
